"I'LL JUST WING IT"

WHAT I TELL MYSELF WHEN I DEFINITELY SHOULDN'T JUST WING IT

SINCE 2025

ABOUT UPSTATE FTW AT SPORTS & SOCIAL

I was born in Syracuse and raised in the heart of New York's Finger Lakes region. Almost 20 years ago, my wife and I fell in love with Washington DC, and it has been our home ever since. Since moving here, I have always dreamed of opening a restaurant that showcases the regional foods of Upstate New York.

While Buffalo wings certainly take center stage, we are excited to bring some lesser-known regional dishes to the forefront. Guests can look forward to trying Beef on Wecks, Garbage Plates, and Salt potatoes, among other unique offerings.

This collaboration blends my Upstate New York roots with the premier sports bar experience at Sports & Social DC. "Upstate FTW" is truly a taste of my home, brought to my adopted home.
